Dear Local Plans Team,

Thank you for your letter regarding the Local Plan Review.

I have tried repeatedly to respond electronically before the 5 p.m. deadline, but after the first 2 pages am told 'This site can't be reached.' - hence this email.

I do not feel I have the necessary knowledge, or familiarity with the areas concerned, to comment on the 6 questions, but am grateful for the opportunity to do so. My general comment would be that the safeguarding of the environment & existing settlements should be prioritised in the provision of future needs.

Kind regards,

Valerie Neal.
