I'm a resident of Whitminster village and I
- object to development of site WHI012 (Land South of Hyde Lane, Whitminster) which is well outside the existing development boundary and is served by an undrained single lane road that cannot support twenty houses.
- object to development of PGP1 (Land at Grove End Farm) for up to 2,250 houses as it will destroy the local character of Whitminster village and extend urban sprawl from Stroud through to Whitminster.

I feel there should be small hamlets rather than overload the structure. Villages can still exist but smaller ones will be created. There isn't any infrastructure in place. Schools, shops etc but that's what a village is. You will make it into a massive town and then make it way too busy Regards [REDACTED]
