

## Call for sites: Site Submission form.

The **Stroud District Local Plan Review: Issues and Options Paper** identifies a number of sites around the District's main settlements with potential for future growth. The Council is inviting the submission of **alternative potential sites** for consideration as part of the review of the Local Plan, including sites at smaller villages that could also benefit from some future development.

Please use this form to provide information on sites in Stroud District, which you would like to suggest as suitable for:

- New housing development of **five dwellings or more**;
- Sites of **0.25 hectares or at least 500 square metres of floorspace**, which could be suitable for economic development, other residential development, retail or community uses.

Please fill out an individual site submission form for each site you would like to submit for consideration. Your form must be accompanied by a site location plan (on an Ordnance Survey base), clearly identifying the site boundaries and the site access point(s).

This call for sites closes **on Tuesday 5<sup>th</sup> December 2017**. Sites submitted as part of the Local Plan Issues and Options consultation will automatically be considered for inclusion in future updates to the Strategic Assessment of Land Availability (SALA) and the Brownfield Land Register, as appropriate.

Please email completed electronic responses to [local.plan@stroud.gov.uk](mailto:local.plan@stroud.gov.uk) or post paper copies to **Local Plan Review, The Planning Strategy Team, Stroud District Council, Ebley Mill, Westward Road, Stroud, GL5 4UB**. Should you have any queries, the Planning Strategy Team can be contacted on 01453 754143.
