Key Findings and Issues	<ol style="list-style-type: none"> 1. Large site with variety of pitch sizes currently 1 adult, 2 jnr 9v9, 2 mini 7v7 and 1 mini 5v5 2. Home to Cam Everside Wanderers Senior side and Cam Everside Youth FC –runs 17 teams in total and only venue used. 3. Ground is fully used. Club copes by staggering kick offs as car parking limited, play several games in a row depending on leagues/fixture times. 4. Adult pitch has slight spare capacity (possibly room for another team) but junior 9v9s are fully used. Also some spare capacity in theory on mini pitches, but conclude ground is used as fully and efficiently as possible. 5. Site has been identified as possible Sport Health Wellbeing Hub site.
