(Berkeley Cluster)

Dear Stroud District Council,

My name is: _____

I live in: _____

I have been told that more than 5000 new homes will be built on fields in this area. I think this ~~is~~/ isn't a good idea because:

This proposal would destroy greenfield land in a beautiful rural area and result in the loss of identity of the existing settlements.
The road infrastructure is inadequate.
The planned railway is unrealistic i.e. no direct link to Bristol.
There are inadequate secondary schools already without thousands more children.
There is no local employment.
The proposal is allegedly a "garden village" but 5000 houses is a Quedgeley super-estate.
This level of development needs to be near a major town/city, not in the countryside. It doesn't make sense to build it here.
Please do not allow this to happen in this unique and wildlife-rich habitat.
Please reconsider the land south of Gloucester.
