Dear Stroud District Council

### **Inspectors' Initial Request to the Council**

As you will be aware, we have been appointed by the Secretary of State to conduct the examination of the Stroud District Local Plan Review. We are currently at the preparation stage where we are initially reading through the Plan and relevant submitted evidence and the representations.

To assist us so that we can progress the Examination, we require a summary of the duly made representations in tabular form setting out the representations against legal compliance issues, Plan sections and policies and any other documents.

The following information is required:

- Policy/paragraph of Plan/legal compliance issue or other document being commented on;
- Representor name/organisation name and representor ID number (where representations are similar these may be grouped together so that only one summary is provided, but all representor ID numbers need to be listed);
- Summary of the representation/group of representations on the specific Plan policy/paragraph/legal compliance issue or other document;
- Council response to the summary of the representation/group of representations; and
- Any suggested Council modifications for consideration.

We would like the Council to inform us when they consider they would be able to provide this summary of representations. We will not be able to progress the Examination until we have received this.

If the Council has any queries on the contents of this letter, please contact us through the Programme Officer.

Yours sincerely

*Victoria Lucas and Yvonne Wright*

Inspectors appointed to examine the Stroud District Local Plan Review
