### **Policy ES10 – Valuing our Historic environment and Assets**

Vistry support policies which seek to preserve, protect or enhance historic assets. However, such policies must be in accordance with national planning policy.

Point 5 of delivery policy ES10 states:

*Any harm or loss would require clear and convincing justification to the relevant decision-maker as to why the heritage interest should be overridden*

The above does not take into account the NPPF policy in relation to the weighing of proposals that needs to take place depending on the type of heritage asset (designated or undesignated) or the level harm that would be caused by any

proposed development. The wording is therefore inconsistent with national planning policy and should be deleted

(Continue on a separate sheet /expand box if necessary)

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Delete the following wording:

~~Any harm or loss would require clear and convincing justification to the relevant decision maker as to why the heritage interest should be overridden~~

(Continue on a separate sheet /expand box if necessary)

**Please note** In your representation you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.

**After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues he or she identifies for examination.**

7. If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s)?

Please note that while this will provide an initial indication of your wish to participate in hearing session(s), you may be asked at a later point to confirm your request to participate.

8. If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:

**Please note** the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.
