### Mini Vision – Gloucester’s Rural Fringe (para 3.4.2)

To reflect the role that the Land to the South of Hardwicke will have in delivering housing reference to the site should be made within the vision for the Gloucester Fringe Area. To reflect this, it is suggested that the overarching vision should also make reference to *“promoting an inclusive community capable of providing significant community and infrastructure improvements to benefit both existing and future residents of Hardwicke”*.

Land to the South of Hardwicke as a proposed strategic site is fundamental to the successful delivery of the Local Plan Review and the delivery of the required housing numbers to meet

future housing targets. As previously stated, the Land to the South of Hardwicke represents an entirely appropriate and genuinely available source of new homes, together with a primary school, local centre and other community uses without significant constraint. The site can also deliver housing in the short term including within the first five years of the Plan period.
