You don't often get email from [REDACTED] [Learn why this is important](#)

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

Dear,

Canal Strategy Team,

Thank you for consulting National Highways on the Draft Canal Strategy. After a review of the Canal Strategy and associated documents. National Highways are satisfied that the proposals are unlikely to adversely impact on the Strategic Road Network. It is however noted that National Highway as Statutory Consultee would request to be consulted on any proposal that are likely to impact on our assets (Highway Network, Structures, Drainage, street, lighting, landscaping assets, so on) as a result of schemes promoted through the SPD.

Kind regards

Please note our Planning Inbox email address has now changed to planningsw@nationalhighways.co.uk

Please note my working week is Monday to Thursday.

Subject: Draft Canal Strategy Consultation update

Dear Sir/ Madam,

You will now be aware that the closing date for the Draft Canals Strategy consultation has been extended and the last day for submitting comments by email or post is now **Friday May 27th 2022**.

In response to initial comments received regarding how to navigate the Canals Strategy material we have taken this opportunity to include a new six minute video which provides a walk through guide to the Strategy and how it was produced. We have also improved the format of Document A (wall chart summary) and Document B (key drivers, profiles and place making frameworks). No material changes have been made to the content of the documentation. The amended documents are available to view at www.stroud.gov.uk/canalstrategy

You can email your responses to: canals.strategy@stroud.gov.uk or send your response by post to: Planning Strategy, Stroud District Council, Ebley Mill, Ebley Wharf, Stroud GL5 4UB.

The District Council will consider your comments and make any necessary changes to the documentation before adopting the Final Canals Strategy at a future meeting of the Council's Environment Committee.

Many thanks in advance for contributing to this consultation process.

Regards,
Planning Strategy Team
Stroud District Council

Working together to make Stroud District a better place to live, work and visit
