Review of Local Plan (Emerging Strategy)

I wish to register my objection to any proposal to include for development any land in the area designated G1 in the consultation document, whether the requirement is to provide overspill for Gloucester City or just to increase the available land for the development within Stroud Council.

The proposal is not required in this area and in the time-frame being considered to meet out local needs, which are being provided for at Hunts Grove.

Any further development will completely destroy the remaining rural character of the Parish east of the Gloucester and Sharpness canal.

Also, the plan does not appear to consider the extra traffic which will be imposed on an area already struggling to cope. Also, local infant and junior schools are stretched in terms of facilities and traffic management. Issues which will only be further stretched should this ill advised development take place.

Furthermore it is contrary to the Hardwicke Neighbourhood Development Plan.
