Categories: Consultation response

Our reasons for being opposed to allocation of land designated PS29 for housing has not changed significantly from our earlier objection to planning application S.14/0966/OUT -see attached.

Dursley and Cam have already accepted several very large sites for new housing (a lot of it 'brownfield') - there are no 'suitable' sites remaining at the Dursley Whiteway Hill area without serious adverse impacts on existing residents - accept it.

Building in this area of high quality landscape is an act of vandalism that cannot be reversed - every green field built on is lost for good.
