Dear Sir/ madam,

I [REDACTED] and [REDACTED] are writing on behalf of those who oppose planning to build houses in the Hardwicke and surrounding areas!

I object to the plan as the wildlife has been destroyed over the years and the building which has been put up in Quedgeley has destroyed the natural environment. Crime rates will increase. Schools are not big enough or the roads. And it takes a long time to see doctors. And it will damage community cohesion. I've also not seen a lapwing for years.

I do not want any more building as I like to get out for bike rides and enjoy the countryside.

Your sincerely,

[REDACTED]
