Categories: Consultation response

Good Afternoon,

Please see below and attached our comments on this plan.

Our Reference: 8150105932

Please find enclosed a copy of the requested plan and our general conditions, for your reference.

Our records show those pipes owned by Wales & West Utilities (WWU) in its role as a Licensed Gas Transporter (GT). Service pipes, valves, syphons, stub connections, etc. may not be shown but their presence should be anticipated. No warranties are therefore given in respect of it.

They also provide indications of gas pipes owned by other GTs, or otherwise privately owned, which may be present in this area. This information is not information of WWU and WWU is unable to verify this information or to confirm whether it is accurate or complete.

The plan must be printed in A3 size and will also need to be produced in colour. If this is not possible, we can send you a hard copy if requested. Let me know if you require any further assistance.

Kind Regards,

[REDACTED]

“Our privacy notice can be found on our website (<http://www.wwutilities.co.uk/legal/>) or a paper copy can be provided to you on your request. This sets out how we will collect and use information about you.”

On 3rd December 2018, WWU’s asset information became available on LinesearchbeforeUdig. (LSBUD). LSBUD is an online search facility that allows its users to obtain the asset information and safety advice for over 75 active members. Utility companies, Local Authorities and any Contractors working on behalf of a Local Authority, can obtain asset location details and associated safety information free of charge. WWU charges apply for those who are obtaining the information for the purposing of reselling. Please note; charges may apply from other asset owners.

From 1st October 2019, if you are working on behalf of a Utility company, Local Authority or Contractor working on behalf of a Local Authority and would still like to continue receiving asset information direct from WWU's Plant Protection Team, an administration fee of £36.00 + VAT will be applicable.

[Caution: This email has been sent from outside Wales & West Utilities]

Dear [REDACTED]

The site you refer to is PS37 New settlement at Wisloe, a proposed site allocation in the Stroud District Local Plan: Draft Plan for consultation November 2019.

We are currently processing responses received to public consultation on the Draft Plan and would welcome your comments.

Full details of the Local Plan Review process are available on our website [Here](#) together with the [Draft Plan document](#), see p122 for details of PS37 New settlement at Wisloe.

We would appreciate receiving any comments you would like to make on the site or Draft Plan as soon as possible.

Our published programme is to prepare a final draft plan for further public consultation in the autumn 2020. In order to meet this timetable we will be taking into account views expressed and information provided during the consultation process, commissioning and publishing various technical studies and working further with stakeholders during 2020.

To sign up to our consultation database and stay in touch with future stages of the Local Plan Review process, please enter your contact details [Here](#).

Please give me a call if you have any queries on the Draft Plan or consultation process.

Kind regards

Good Morning,

Wales & West Utilities have been approached in regards to a site at GL2 7AF which the local plan refers to a housing development. I am looking into the as we have a High Pressure pipeline running through said development, can I confirm whether WWU was contacted regarding this?

Kind Regards,
