

Stroud District Council is starting the process of reviewing the current Local Plan. This consultation is seeking views about the range of issues that the next Local Plan will need to tackle, and options for addressing them. This includes the identification of potential areas for growth and development. We ask a series of questions throughout the consultation document (each of which is numbered). Please refer to the question number and/or topic in your response, where relevant.

You can download a PDF or an editable electronic copy of this form from our website [www.stroud.gov.uk/localplanreview](http://www.stroud.gov.uk/localplanreview). The consultation is seeking views about whether the big issues identified within this paper are the right things to focus on and what options exist for tackling them. Are there other issues, options or opportunities that have been missed? **Please note: there is a separate form for you to fill out if your comment relates specifically to a site submission / proposed alternative site (download a copy of the sites form at [www.stroud.gov.uk/localplanreview](http://www.stroud.gov.uk/localplanreview)).**

**We ask a series of questions (highlighted in pink boxes) throughout the consultation paper. Each of the questions is numbered. Please can you reference the question number(s) and/or the topic here:**

Question number: 3.1, 3.4,3.5a/b and 3.6

Please use this box to set out your comments:

*(Attach additional sheets of paper or expand this box if you need to)*

Question 3.1 How should we meet future development needs?

Leonard Stanley Parish Council supports the current strategic strategy (Option 1).

Question 3.4

Leonard Stanley should be now classed as a Tier 4, as it has already exceeded the reasonable amount of growth for a Tier 3.

Leonard Stanley already has planning permissions which results in considerable growth of this village, disproportionate to the residents needs or wishes. Leonard Stanley has very limited facilities and a limited bus service, its nearest shop (suitable for a basket shop only) is in the neighbouring village of Kings Stanley . Transport is needed to access shops, secondary schools and health services. The roads appear to be at full capacity and residents have had to put up with numerous road closures and disruption as a result of the ongoing development of Mankley Field.

Question 3.5a / b and 3.6 Settlement Boundaries

Leonard Stanley Parish Council strongly objects to the expansion of its settlement boundary. They do not wish to see any further encroachment of the countryside and rejects the proposals put forward for the development of land identified as LE001 (LEO A) and LE004 (LEO B).
