To whom it may concern

I would very much like to object to all housing plans and proposals for Berkeley and Sharpness.

Particularly PS36 new settlement at Sharpness ' garden village '.

PS35 land at Focus school, Wanswell

PS34 Sharpness docks

PS33 north west of Berkeley

Reasons being lack of medical facilities, doctors surgery

Schools- lack of.

Shopping facilities

I appreciate these we're all catered for in the dreamlike plan but practicalities is the road structure to cope with the additional traffic. New homes have at least two vehicles. Lorries delivering to shops.

Additional housing with additional families unfortunately brings the strain on policing. Where some of the housing is planned with threat of global warming the higher risk of flooding .

Some areas (Sharpness docks) are significant areas of wild life interest.

Which should be top of the list in this day and age if we are to care for the environment for the future of the planet.

Please do not destroy such a beautiful area.

Yours faithfully
