Dear sir or Madame I'd like to object to the planning application for housing to be built behind dursley junior school at Highfeilds in Dursley . This was ment to be left after many meeting with local people for seven years , it's only been 4 . On surveys last time it was found that the area was on outstanding natural beauty on black crested newts was living in the area . It appears that none in the local area have been informed and it seem quite underhand how it's going forward . So I'd line to state my objection to any development on these fields please and we shall be forming a local champagne accordingly . Yours faithfully [REDACTED] resident of Highfeilds
