good afternoon,

I have recently visited your display at hardwicke village hall .I did write a year ago with my views.we do still need a bit of our village left for us. it is easy to plonk these houses here we have an extra 750 houses going on huntsgrove that surely must be completed before any more thoughts of clogging our roads even more.I am not a nimbe & appreciate homes are needed but can't they go somewhere else in the near future & perhaps give us a few more years to appreciate our country lanes & fields.Also,please can we have a mini roundabout coming out of elmgrove road onto the bristol road it is very dangerous during rush hour ? traffic queues from the bypass all the way to naas lane & nobody ever wants to give way!

Also as a post script how about a show ground next to javelin park?they have racing there so why not a stage for visiting bands etc very few houses in the area for it to annoy right next to junction 12 extra money coming in to the council & a benefit to the area westonbirt can do it why not haresfield?

Kind Regards
