Dear Sir or Madam

I write in connection to the Wistoe Green housing plan, and wish you to know my reasons for objection and why it should not go ahead. Drainage in the area is a huge problem. For instance after heavy rain fall I can't flush my toilet! 1500 more homes need I say more! Position of the site is not good for the proposed Primary School, being so close to the M5, and where are all the children going to feed into, the Secondary School are all full now! The Doctors in Cam is an excellent practice, but I feel sure it just might struggle with another 1500 more households!? Cam Station will not cope with all the extra traffic. I just feel the the whole plan is a very poor a badly thought out plan, and consider it a very ^{bad} move to give it the go ahead.

Yours Sincerely
