## RE: Railway viability report - PS36 Sharpness (Berkeley cluster)

Hi Amanda

We have had communications with WWT and they are now aware of the May 2021 HRA, we are happy to accept an updated consultation response from them before midnight 21 July.

Councillors considered the Local Plan at meetings of Environment Committee on 20 April 2021 and Council on 29 April 2021 and by majority vote approved the Regulation 19 Consultation with the HRA information available to them at that time.

If you feel the current draft plan is not legally compliant or sound you can submit your comments through the consultation which will be
