Subject: Proposed development Washwell Fields Painswick PS41

Good Afternoon

I write as a resident of Lower Washwell Lane to comment on this proposed development, to say that this small rural lane does not need any more traffic on it. The blind junction onto the A 46 is already difficult and it seems the road would have to be greatly improved to cope with the additional traffic that would come with a small housing development. The sharp narrow bend left then right near the recreation field is another danger point. Vicarage Street is also narrow and many of the houses open directly onto the road. Parking is often difficult as not all the houses have off street parking.

Yours Sincerely
