Stroud District Council is starting the process of reviewing the current Local Plan. This consultation is seeking views about the range of issues that the next Local Plan will need to tackle, and options for addressing them. This includes the identification of potential areas for growth and development. We ask a series of questions throughout the consultation document (each of which is numbered). Please refer to the question number and/or topic in your response, where relevant.

You can download a PDF or an editable electronic copy of this form from our website www.stroud.gov.uk/localplanreview. You will also find the main consultation document on this web page, as well as some supporting material and further reading. **Please note: there is a separate form for you to fill out if your comment relates specifically to a site submission / proposed alternative site (Local Plan Review: Call for Sites).**

The consultation closes on Tuesday 5th December 2017. Please email completed electronic responses to local.plan@stroud.gov.uk or post paper copies to **Local Plan Review, The Planning Strategy Team, Stroud District Council, Ebley Mill, Westward Road, Stroud, GL5 4UB**. I understand that the fields by Shakespeare Road are earmarked as a future potential site for 138 houses to be built. I am opposed to this for the following reasons:

It is in a secluded valley within an area of outstanding natural beauty and if built upon this would no longer be. Also, the fields are used regularly by walkers from the local area and people from the surrounding area. I am concerned about the loss of a potential future site for agricultural use and also that the natural habitat which supports so much in terms of animals and plants would be lost for ever.

I feel strongly that this area should be left for the benefit of future generations to appreciate its natural beauty and enjoy all that it has to offer.
