Subject: SDC - Emerging Strategy Paper Local Plan Review - Feedback

I am a resident of Berkeley with a young family.

I feedback on the Local Plan.

I fully recognise the the need for more housing in the wide geographic area and therefore, support proportionate development.

I do not support the proposal at Sharpness for 3000 more houses to be disproportionate. This will significantly -

- impact on environment aesthetics and appearance
- traffic flow in/out, onto the A38, engorge the lanes, etc
- availability of local amenities
- really disaffect the agricultural feel of the locality.

Many thanks
