

Local validation checklist – Approval of details reserved by planning condition

This checklist has been created in order to clarify what information Stroud District Council requires to be submitted with your application. Any application submitted that does not provide the necessary information will not be validated and will not be progressed. If an invalid application is submitted, Officers will set out what further information is required in writing. Any application that remains invalid after 21 days will be returned and an administration fee charged.

Applications can be made via the Planning Portal website www.planningportal.gov.uk
 Alternatively, please submit one copy of each document and plan and send to planning@stroud.gov.uk

For further information about the level of detail required for plans, please view the Council's Drawing Standards document, available at:
