- 2 The entertainment must be provided;
  - (a) for the public or a section of the public or
  - (b) members and their guests of a club
  - (c) where (a) and (b) do not apply, with a view to profit.

## Exemptions

### General Exemptions

- Entertainment which is incidental to religious services or meetings or at places of public religious worship
- Morris dancing or any dancing of a similar nature and the accompanying music
- Incidental music. This is live music or recorded music incidental to some other activity which is not, by itself, regulated entertainment. Music is unlikely to be considered incidental if it is the main or one of the main reasons for people attending an event or is advertised as the main attraction. Also if the volume of the music predominates over other activities it is also unlikely to be considered incidental
- Garden fetes or functions or events of a similar nature if not being promoted or held for purposes of private gain

- **Amplified** live music between **8am and 11pm** for audiences of no more than **500** people, in workplaces which do not have a licence (or which are licensed but only for late night refreshment);

NB – If the Licensing Authority has to review a Premises Licence or Club Premises, on the grounds of public nuisance, it can impose conditions restricting the above activities

### Performance of Plays and Dance Exemption

## Exemptions for specific premises

### Local Authority premises, Hospitals and Schools

**All entertainment** is exempt between **8 am and 11 pm** but only if provided by or on behalf of the local authority, health care provider or school

### Community Premises, Hospitals and Schools

**Live and Recorded music** is exempt between **8 am and 11 pm** for audiences of no more than **500** people at:

- Community Premises not authorised by a premises licence that includes sale of alcohol
- Hospitals
- Schools

**Films** that are shown 'not for profit' (age classification ratings will still apply) are exempt between **8 am and 11 pm** for audiences of no more than **500** people at:

- Community Premises

The person organising the entertainment must get written consent from the community hall committee, health care provider or the school to use the premises for these purposes

## Circuses

Any entertainment by a travelling circus is exempt between 8 am and 11 pm providing it is not film, boxing or wrestling and takes place within a moveable structure and is not located on the same site for more than 28 consecutive days

## Sale of Alcohol

Sale of alcohol remains licensable in all circumstances. There are **no exemptions**.

If guests 'bring their own' alcohol to the event or you give away alcohol for free then this is not a sale of alcohol and not licensable. However if to get the free alcohol a person must buy a ticket or pay an entry fee then this is still classed as sale of alcohol as payment is being made to be entitled to the alcohol.

## Performing Rights Licensing

Even if your entertainment falls under one of the above exemptions you may still need permission from the Performing Rights Society if you are playing music that is copyrighted. You will need to contact the PRS for advice. Their website is [www.prsformusic.com](http://www.prsformusic.com)
