I am a resident is Whitminster and have been for the last 9yrs. We moved her for the small village and the school. We love where we live and would be so sad to see it change. I am writing to give you my Objections to development site WHI012. Our village is small and could not cope with more traffic and the small lane especially,would not work!

Also object to the development PGP1 I do not want our lovely village to turn into a community village! A massive amount of house will destroy the feel of a village and turn into a heartless boring Lego land!
