As committed cycling and walking enthusiasts in Wotton under Edge, we whole-heartedly support cycling routes being included in the Stroud District Plan. These will connect communities, promote health for residents and wildlife in the area and reduce noise and fumes, just to mention a few benefits.

We support the Wotton, Charfield and Kingswood Greenway project and we would like to see support from the local councils for it to be delivered in the near future.

Regards
Wotton Charfield and Kingswood Greenway Group
