Regarding the proposal to develop the fields beyond our garden curtilage at the Focus School, PS35.

my home, is severely affected in relation to this proposal, in that it is the last dwelling on the right, when leaving Wanswell Green, with extended views across the open farmland, whilst enjoying beautiful sunrise and sunshine through the day. Its tranquillity is quite beyond belief, in this world of ever increasing hustle and bustle.

Nature, in the form of foxes, badgers, hedgehogs, mice and nesting birds, with their fantastic vocal rendition, extend right up to our bungalow.

To destroy this idyllic situation would be a sacrilege, not only for nature, but for those living here now and, hopefully, in the future.
My Wife and I, are either side of 80, with a severely disabled Daughter, development would reduce the value of would defiantly not be able to replace the present dwelling with anything anywhere near comparable.
I feel this development proposal is unjustified and therefore the Plan is unsound, because it has not taken account of the effect on local residents and the precious wildlife in this area.
I consider my reaction / objection to be totally justified, and sincerely hope it has the attention and consideration that it deserves.
Thanks,
