Dear [REDACTED]

Please find attached a representation to the Stroud District Local Plan Review: Draft Plan Consultation prepared on behalf of Renishaw PLC. The representation is written in support of the Allocation PS47, whilst also requesting the boundary to the existing allocation at New Mills (EK17) is updated to account for the recently constructed Renishaw Innovation Centre and application reference S.18/2368/FUL.

I trust the information provided in the representation is sufficient at this point, however please do not hesitate to contact me should you require any further information.

Yours faithfully,
