Hello,

I'm a resident of Whitminster and feel strongly about the proposed building around the village.

I wish to object to development of site WHI012 (Land South of Hyde Lane, Whitminster) which is well outside the existing development boundary and is served by an undrained single lane road that cannot support twenty houses.

I also wish to object to development of PGP1 (Land at Grove End Farm) for up to 2,250 houses as it will destroy the local character of Whitminster village and extend urban sprawl from Stroud through to Whitminster. The road infrastructure is not fit to serve this scale of development, and the village has woefully inadequate public transport links.

Regards
