Dear Sir/Madam

We own part of the land - Site Ref: MIN004, which has been included in the Stroud District Local Plan Review. Our land has been submitted by [REDACTED] WITHOUT our permission or without consulting us. [REDACTED] should not have submitted this site claiming it is owned by him, as he is well aware that part of it belongs to us. The details in his submission are wrong and the map and sizing of the area available are wrong.

The part of the field that we own is the west side of the field running along the village settlement boundary and also our property [REDACTED]. This has been in our ownership for over 25 years and has been in continuous use as horse and pony paddocks, there is no question regarding our ownership. The portion of the land that [REDACTED] owns is separated from the village settlement boundary by our land and therefore, I believe regarded as being in open countryside.

We have not submitted our land for development, have not been approached regarding it for development and it should NOT have been included.

Would you please contact me as I am extremely anxious that this is put right.

Yours sincerely,

[REDACTED]
