I'm a resident of Whitminster village and I
- object to development of site WHI012 (Land South of Hyde Lane, Whitminster) which is well outside the existing development boundary and is served by an undrained single lane road that cannot support twenty houses.
- object to development of PGP1 (Land at Grove End Farm) for up to 2,250 houses as it will destroy the local character of Whitminster village and extend urban sprawl from Stroud through to Whitminster.

I live in whitminster village and have just moved here away from Hardwicke and quedgeley as it has become a concrete jungle. This new development will ruin the view from my new house which currently is gorgeous open fields. If we keep building around these small villages there won't be such a thing as a village.

Kind regards
