5. Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

Down grading the Agricultural classification from grade 2 to 3b begs the question on the validity of the report and the findings, and a review of that report. If over the past 54 years, since the classification was first developed, why has the land managed to produce a high yield of a range of crops. Even land classified as 3b has a principal use of extensive arable cropping.

The already surveyed noise levels are well beyond that which is permissible. Do you honestly believe that adding more people and yet more vehicles will do any other than add to the noise and air pollution.

Protection of the environment and its ecology plays a huge role here. We have

golden crested newts in our garden which we discovered in the water course around the house. Please note that in your own modification requirement document there was an inclusion for ecological protection including Protected species.

The High pressure gas pipeline begs the question as to whether there is any regard to the safety of any of the residents both in the proposed site and those existing.

The areas that have been selected as far more suitable have been rejected begs a question.

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Remove PS37 from the SDC Local Plan.

Please note In your representation you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.

After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues he or she identifies for examination.

7. If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s)?

No, I do not wish to participate in hearing session(s)

Yes, I wish to participate in hearing session(s)

Please note that while this will provide an initial indication of your wish to participate in hearing session(s), you may be asked at a later point to confirm your request to participate.

8. If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:

Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.
